# WHO WE ARE

**Quality Care Cover** is a 24-hour operated provider of Specialist Nursing Staff for temporary last-minute needs. We supply to NHS Trusts and Private healthcare establishments across England via relevant framework and PSL agreements. Established in 2015, we have grown to become a leading provider of highly skilled specialist Nursing staff to numerous clients across England facilitating cost savings for many whilst not compromising on quality.

We understand the fast-paced and unpredictable nature of the healthcare environment and the ever-changing needs of our client's service users. As such, our clients need to ensure they have a robust staffing infrastructure to accommodate these unforeseen needs. We work to ensure that such needs are met in a cost-effective manner.

We provide coverage for ad-hoc requirements as well as block bookings.
